

The cleanroom solution with industrial performance

The GM80 range is a globally recognized industry icon, used whenever high efficiency and high performance is required, but a small form factor is a must.

The GM80CR's sturdy aluminum container means that the vacuum cleaner is almost indestructible and therefore especially suitable for rough and heavy duty cleaning. Its strong steel trolley and top-mounted grab handle optimize its portability and maneuverability. The GM80CR is essential equipment to have in medical labs, pharmaceutical or chemical production areas and in most cleanroom work areas.

The unique multi-stage filtration system allows for adaption to special applications where high filtration level, low emission and quiet operation is required.

- Standard ULPA filtration
- 30 foot power cord.
- Compact and easily stored
- Quiet operation
- Lightweight
- Easy to use and service
- Wide variety of filters and bags
- Versatile range of accessories

● Standard equipment

Included accessories		Ref. no.	Min. required	GM 80 110-120V US ULPA
Filter				
	MOTOR PROTECTION FILTER	11730410	1	●
	SACK FILTER GM80	61543000	1	●
Dust Bag and Filter				
	DUST BAG FLEECE GM 80P 5 PCS	107418525	1	●

Model	GM 80 110-120V US ULPA
Ref. no.	905 6302 010

PRODUCT FEATURES

Sack filter	●
